Shri. Prakash Magdum
Managing Director
National Film Development Corporation Ltd
Mumbai

Dear Shri. Prakash Magdum,

The Australian Consulate-General in Mumbai presents its compliments to the National Film Development Corporation (NFDC).

I have the honour of conveying that the Australian Consulate-General looks forward to continued collaboration with NFDC on co-produced film projects between India and Australia and kindly seek your assistance in this regard.

Upon completion of a co-produced project between India and Australia (that has received provisional approval from both competent authorities), Australia's competent authority will issue a formal letter to NFDC if it is in a position to confirm that the project has been completed and satisfies all relevant requirements under the Audiovisual Co-production Agreement between the Government of Australia and the Government of the Republic of India and Screen Australia's Co-Production Guidelines (based on the application for final approval submitted to it by the Australian co-producer).

Upon receipt of this confirmation, we kindly request that your organisation provide a corresponding letter to Australia's competent authority confirming that the project has likewise been completed and meets all necessary requirements under your procedures. For ease of reference, we have attached a draft template that may be used for this purpose.

We would also be grateful if you could acknowledge this proposed exchange of letters by responding to this communication.

Yours sincerely,

Paul Murphy

Australian Consul-General in Western India
